Sport Motorbike

With the Suzuki Collection for sports bikers you're ideally equipped for any terrain. And one thing's for sure: you've never negotiated those bends looking better.

1 Biker backpack

The sophisticated carrier system designed specially for motorbike riders offers optimum support. Gone are the days of cramming things awkwardly into motorbike clothing. High wearing comfort even at high speed and with heavy loads. The biker backpack features an integrated rain hood, helmet net, bottle holder, mobile phone pocket, eyelets to let a cable through and inside pocket for inter-com or MP3 player.

2 Racing gloves

Perfect for all racing and sports leather combinations from Suzuki. The gloves are made from high-quality leather and feature hard carbon pads to protect the knuckles. The Carbon inserts over the fingers plus the linking elements between the little and ring fingers, and the Kevlar® inserts over the top and ball of the hand, all go to make these highly protective motorbike racing gloves.

5 Suzuki GSX-R one-piece racing leathers

These exclusive Suzuki racing leathers are made of 1.2- to 1.4-mm-thick cowhide. The elastic textile inserts in the leg, groin and shoulder regions ensure maximum comfort, while the safety seams and detachable SaS-Tec-CE protectors on the elbows, knee, shoulders and back, along with the carbon fibre applications on the shoulders, elbows and knees, all provide ample protection. The leathers are also equipped with an aerodynamic back hump, and the front and rear airflow system ensures adequate ventilation.

9 Suzuki Dainese one-piece racing leathers

These Suzuki racing leathers are the result of an exclusive cooperation with Dainese. All technical features such as TECHNO protectors, Titan inserts on the shoulders and detachable elbow and knee protectors are made using the latest technology. Elastic D-Stone™ fabric inserts around the groin to ensure both excellent mobility and the necessary breathability. The leathers also feature an aerodynamic anti-shock back hump, while the elastic fabric and leather inserts make the leathers extremely comfortable and well protected.

blue/white, Men's sizes: 48-60

13 Touring jacket long**14 Sport touring jacket short**

Fitted with outer material Airguard 500D and double material over the protectors in the area from the shoulders and elbows, you get a special double Dynax material for highest possible safety. The inlay with 210 T Taffeta with Suzuki label provides you together with a high-grade Z-Liner membrane (100% waterproof and breathable) a comfortable ride during the summer season. Air control system with two openings in front and rear helps you for cool climates. For the colder days you can use the attached microfibre neck warmer (included only by 990F0-STEX1-Size and 990F0-STEX2-Size). For a better perception, the jacket is fitted with 3M Scotchline in the back area. Not only is the double stitching, in same colour, a high safety relevant issue. The CE marked (EN1621-1 / EN1621-2) protectors for the shoulders, elbows and the not usual CE back protector will convince you with very high safety quality. For an individual fit, you can change the elbow protectors in two different positions. Stretch material in the inner side of the arm and also on the side of the jacket let you feel comfortable in every situation. Together with the special fitting Touring trousers (990F0-STEX4-Size) you can use the long connecting zipper for a perfect and comfortable ride. The jacket is also equipped with a short zipper to connect the trousers to other manufacturers.

17 Touring trousers

Fitted with outer material Airguard 500D and double material (Dynamax) over the protectors. The inlay with 210 T Taffeta with Suzuki label provides you together with a high-grade Z-Liner membrane (100% waterproof and breathable) a comfortable ride during the summer season. We equipped the trousers with Alcantara® on the bottom to make sure that you don't lose your riding position. Stretch material in the area of the groin and knees let you feel very comfortable in every situation. Air control system with two openings in front helps you stay cool on hot summer days. For a better perception the trousers is fitted with 3M Scotchline in the side area. Not only is the double stitching, in the same colour, a high safety relevant issue. The CE marked (EN1621-1) protectors for the knees will convince you with very high safety quality. Also, you have the possibility to change the knee protectors in two different positions. Together with the special fitting for both touring jackets (990F0-STEX1-Size / 990F0-STEX2-Size) and the sport jacket (990F0-STEX3-Size) you can use the long connecting zipper for a perfect and comfortable ride. The trousers is also equipped with a short zipper to connect jackets from other manufacturers.
